The session will cover the following information:

- Overview of Medicare Part A, B, C, and D coverage as well as Medicare Supplements
- What to consider when comparing Medicare and employer insurance
- Enrollment and Eligibility Deadlines

Confused? You don't have to navigate Medicare alone! Learn the basic Medicare information everyone needs to know: when to enroll, what services are covered, how much you pay, applying for financial help, and where to get impartial counseling.

The Nebraska SHIP, a division of the Department of Insurance, is here to assist you in understanding and navigating the Medicare maze. We offer free, unbiased counseling and education to older Nebraskans and persons with disabilities regarding Medicare options. We don't sell or promote insurance products or companies. We simply help people understand their options so they can make informed choices.

Employees must register via the Employee Development Center. Sessions will be held in the State Board Room and broadcast online via Adobe Connect for those located in satellite offices.
