Wellness plan eligibility requirements. Confirm your enrollment in a wellness program by November 20, 2014 to continue to qualify for the 2015-16 Wellness Health Plan. Click here for more information.

Use it or Lose It. Check your vacation leave balances now and make plans to take your leave to avoid losing it on December 31st. Do you need some help with the calculations? Click here to access the leave balancing spreadsheet.

W-2’s. Tax time will be here before you know it. If you moved this year, and elected to have the W-2 mailed to you, now is a good time to check your mailing address in the Employee Work Center. You will have earlier access to your W-2 if you elect to receive it electronically. Click here for more on these two topics.

Inclement weather. You wouldn’t think that less than an inch of snow could create such havoc. Any of you with driving teenagers can feel my pain. Before Old Man Winter really hits, you’ll want to review NDE’s Inclement Weather Policy.

Retirement Savings. The Deferred Compensation program allows additional tax sheltered paycheck deductions to help you save for retirement. While your contributions are unmatched by NDE (unlike the “regular” retirement contribution), it’s a good way to increase your nest egg. Click here to learn more about increased contribution limits for calendar year 2015.

State Government Leadership Program. Registration is now open for the winter session of this new program. Pam Tagart, of the Data, Research and Evaluation Team participated in the first session and spoke highly of the experience. Find out more about it here.
