A copy of the CSI brochure follows
In the attempt to adapt a job to the individual so work can be performed without harmful strain or injury, CSI offers a variety of products to assist in accomplishing this task.

We offer options for seating, desks, and accessories.

Some of the seating options are the Ithaca with 360° Pivot Arm, Comfort RX, and the Breathe. Each offers different benefits to fit the individual.

Our desk options come in several sizes and can be cranked or motor operated to adjust between sitting and standing.

As for accessories, we have a fully adjustable keyboard, Houdini, monitor arms, and an ergonomic footrest.

Some of the products can be sent to customers for demonstrations. Please contact CSI for more information on this program.

Please contact sales representative for options and ordering information.
