

2016 FLU SHOT SCHEDULE

GET THE FLU SHOT

not the flu

The best way to avoid getting the flu is to get the flu shot early in the season.

Free, on-site flu shot clinics are available for employees and spouses enrolled in a State Employee Health Plan with UHC. If you are not enrolled, flu shots are available through your doctor's office or local pharmacies.

Schedule your flu shot beginning September 1, 2016.
